

To Whom It May Concern:

I had me Shaun Thomas in Macau in the winter of 2007, performing Saxophone for the band HB Wild at the MGM GRAND Macau. At that time he was performing at the opening of the Lions Bar, which has become the top nightspot in Macau for well over a year. He has proven himself able to develop horn lines and solos over the course of performing daily, and approached the stage with energy and enthusiasm each night.

Shaun is very easy to work with, and his professionalism shines through on and off the stage. I would recommend him to any performing group or property, and hope to see him again at the MGM GRAND Macau. If you may have any questions or concerns, please do not hesitate to call me at any time.
